

Linewize Parent

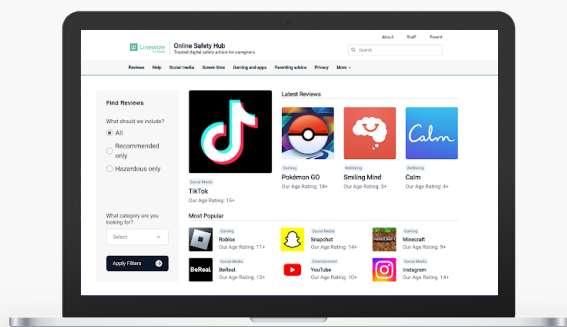

Building a safer digital world by connecting school and home.

About Linewize Parent

Linewize Parent is a comprehensive digital safety and wellbeing program that empowers district IT leaders to provide parents with resources that help them create a safer online environment for students.

Linewize Filter and Classroom Manager customers have access to the Parent program at no additional cost.

Linewize Parent includes three pillars

Qustodio Parent App

Qustodio gives parents visibility into their child's online activities on their school-issued devices.

Online Safety Hub

Developed and written by experts, the Online Safety Hub provides parents with a library of resources about children's digital safety and wellbeing.

Parent Webinars

Expert-led discussions on online safety, with tips for how to keep children safe online.

Linewize Parent Pillars

Qustodio Parent App

- ✓ **Give parents visibility** into their child's online activity on school-issued devices
- ✓ **Decide what parents see and when** — either during or outside of school hours, or 24/7
- ✓ **Set fixed filter rules** on school-issued devices that parents can add onto at home*
- ✓ **Enable parents to set routines and time limits** outside of school hours*
- ✓ **Give families coverage** on one personal device for each student at no cost
- ✓ **Dedicated Qustodio tech support** for families

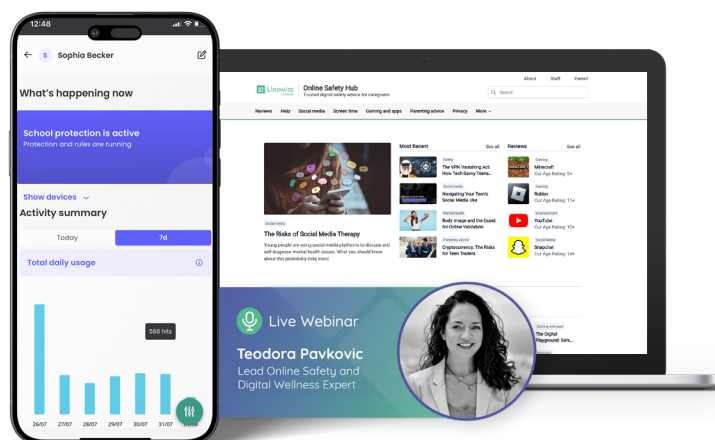

Parent Webinars

- ✓ **Insights and advice** on a range of online safety topics
- ✓ **Guidance and support** for families from our lead online safety expert
- ✓ **On-demand and accessible** in your district's Online Safety Hub

* Available with Linewize Filter using Chromebook and Windows devices.

Online Safety Hub

- ✓ **Library of multimedia** cyber safety resources created by our team of digital safety and wellbeing experts
- ✓ **On-demand webinars and videos** to help parents address online safety issues with their children
- ✓ **App and game reviews**, including step-by-step instructions for privacy and safety settings
- ✓ **Insights and actionable steps** for parents to address online safety concerns
