Linewize Product Suite Overview

The most comprehensive K-12 student safety platform on the market

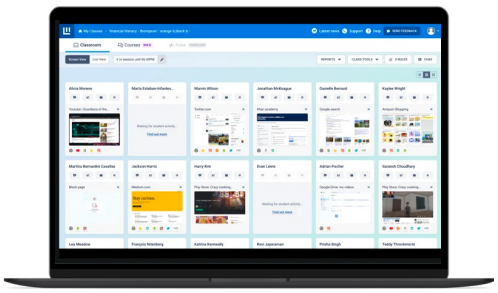

Linewize has built, merged, and acquired technology solutions to create a united product suite with a singular mission: to protect every child's digital journey at school, at home, and everywhere in between.

Linewize Filter

Content-aware, hybrid filtering

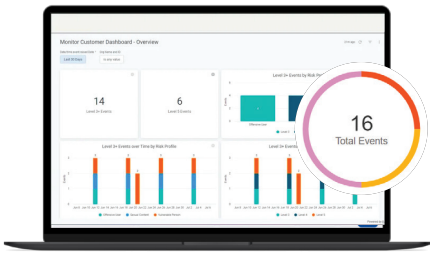

Content-aware, hybrid filtering that gives IT granular control and flexible rule configuration to meet evolving safety needs.

Linewize Classroom Manager

Classroom management

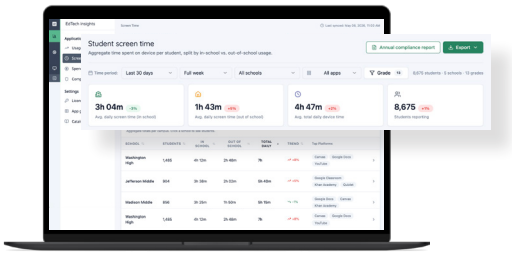

Empower teachers with real-time screen visibility and control in the modern digital classroom. Teachers can spot distracted students, refocus attention, open and close tabs, and much more.

Linewize Monitor

Student threat detection

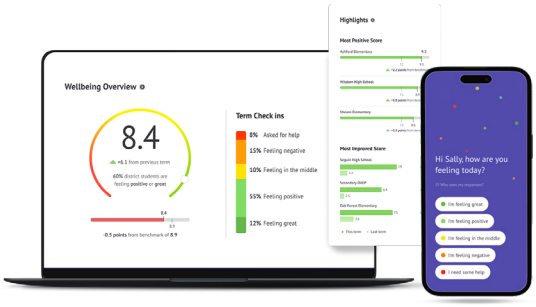

Alert designated staff to students whose digital behaviors indicate they may be at risk with real-time, human moderated threat detection.

EdTech Manager

EdTech app analytics

Get visibility into student screen time, ROI, and district-wide usage for your EdTech app to optimize productive learning and meet emerging compliance requirements.

Linewize Pulse

Wellbeing & culture analytics

Gain school-wide insights to make wellbeing decisions, and offer your students a channel to speak up if they need support.

Online Safety Tools for Parents and Staff

Qustodio parent app

Enable parents to see and supervise their child's online activity on school-issued devices.

Online Safety Hub & webinar

Library of resources, including expert-led webinars, to educate parents and staff on children's online safety.

About Linewize

The Linewize ecosystem is a unique response to the challenge of today's connected learning environments. We align a series of products to help districts stay in regulatory compliance, get the most out of their purchased technology, keep kids cyber-safe at school, and impact your parent community by assisting them in raising good digital citizens.
