# Linewize solutions eligible for STOP School Violence Program

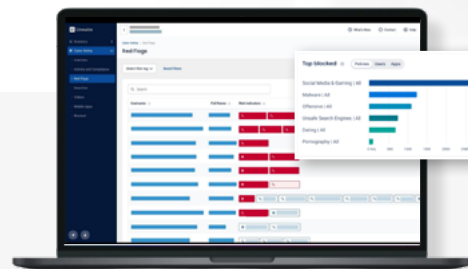

This grant applies to technologies or other school safety strategies that improve school safety and threat assessment. Monitor and our other Linewize solutions hold all 4 iKeepSafe accreditations, maintaining the highest standards in student data privacy.

## Linewize Monitor

Identifies and alerts school staff in real time of student digital risks, supporting early detection and intervention.

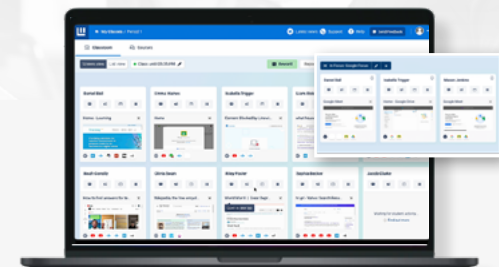

Human moderators work 24/7 to assess alerts, reduce false positives, and contact schools immediately for serious concerns.

## Linewize Filter

Blocks harmful, violent, and inappropriate content in real time, ensuring safer digital learning environments.

Delivers Red Flag Alerts for serious student safety issues such as violence and self-harm.

## Classwise

Empowers teachers with full-screen visibility and control in class, reducing disruptions and supporting safe, focused learning.

Provides screenshots and detailed student history reports for insight into students' online behavior.

# Next steps for K-12 leaders

## Prepare for your grant application

Prepare the information needed for your application, such as:

- ✓ Description of need, project goals, and objectives
- ✓ Plan for implementing program, collecting data, and measuring success
- ✓ Key stakeholders and team members

[Read the full NOFO](#) for all submission requirements.

Read our blog post on [How to Create a Strong K-12 Grant Application](#)

## Follow the two-step process to submit your application electronically

**Step 1.** Submit the Application for Federal Assistance SF424 through [Grants.gov](#) by October 27, 2025

**Step 2.** Submit the full application, including attachments, through JustGrants ([JusticeGrants.usdoj.gov](#)) by November 3, 2025

## Get in touch

Speak with Linewize's expert team to discuss your technology needs and receive immediate support for your grant application materials. Contact us at [inquiries@linewize.com](mailto:inquiries@linewize.com) to get started.

As your long-term partner in student safety, Linewize is here to help every step of the way — from funding and proof of concept, to implementation and ongoing support.
